Interior design services

📐 **Space Planning**
Room layout, furniture arrangement, traffic flow, functional zoning. Optimize every square foot.

🎨 **Color Consulting**
Paint selection, color schemes, accent walls, cohesive palette throughout your home.

🛋️ **Furniture Selection**
Custom and trade-only pieces. Upholstery, case goods, lighting, rugs, accessories.

🍽️ **Kitchen & Bath Design**
Cabinetry, countertops, backsplash, fixtures, appliance selection, lighting plans.

💡 **Lighting Design**
Ambient, task, accent lighting. Fixture selection, placement, dimmer controls.

🖼️ **Art & Accessories**
Art curation, wall decor, window treatments, decorative objects, styling.

Why hire a professional interior designer?

Great design saves money, time, and mistakes.

💰 **Trade discounts (30-50%)**
Access to designer-only showrooms and wholesale pricing. Savings exceed design fees.

⏱️ **Project management**
Coordinate contractors, deliveries, installers. You avoid scheduling headaches.

🎯 **Avoid costly mistakes**
Wrong-sized furniture, mismatched finishes, poor layouts — we prevent them all.

📈 **Resale value**
Well-designed homes sell faster and for higher prices. Our designs add value.

Our design process

📞 **1. Free consultation**
Discuss project scope, style preferences, budget, timeline. Site visit or virtual meeting.

📐 **2. Concept development**
Mood boards, color palettes, furniture layouts, material samples. Initial presentation.

🛒 **3. Design & procurement**
Final selections, ordering, tracking. Trade pricing, delivery coordination.

🔧 **4. Installation & styling**
Furniture delivery, art hanging, accessory placement, final walkthrough.
